

## Arbeitsblatt 7

zur Sendung „The Trail of DNA“

im SWR Fernsehen | DVD-Signatur Medienzentren: 4683054

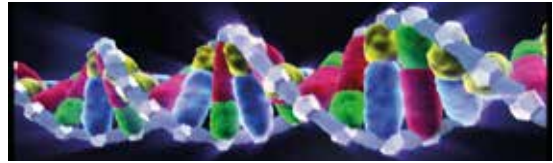

Sendung online: [planet-schule.de/x/trail-dna](https://planet-schule.de/x/trail-dna)

### Quiz & video

#### 1. Right or wrong?

Prepare some right or wrong questions for your classmates.  
Use information from worksheet 1–4.

#### 2. Prepare a quiz.

Prepare some quiz questions for your class mates. Use information from task 1-4.

Example:

The 4 bases of the DNA are called:

gutanin, thymिन, adennin  
and Cytosyne

guanine, thymine, adenine  
and cytosine

sugar, phosphor, genetic  
material and cell

paternity test

#### 3. Become a star.

Record a short video about one topic of the tasks on  
worksheets 1–4.

Become an investigator,  
a burglar or a lab assistant  
– you decide.

Be creative 😊
