

NEW JERSEY AND NEW YORK

PROJECT: MAKE DIFFERENT PRESENTATIONS ABOUT SOME TOPICS FROM THIS FILM.

Use the information in the boxes on this page to prepare your presentations.
 Collect photos and other interesting facts and information about your topic from the internet.
 Don't forget to practise the comment to go with your presentation before you start.
 If possible, you should work out an electronic presentation.

Are Atlantic City's best times over?

From the film and the internet, collect information about Atlantic City.

You should include:

- the development of the city starting in the early 1850s
- the Boardwalk
- the situation in the 1950s and 1960s
- reasons for the decline of the city during recent years
- a comparison between Las Vegas and Atlantic City

A World of Amazing Insects

From the film and the internet, collect information about some interesting insects. Show a photo and present some basic facts.

For examples, you could talk about:

- black widow spiders
- scorpions
- tarantulas
- praying mantis
- ...

New York City Never Sleeps!

From the film and the internet, collect information about the most exciting landmarks of New York City.

You could include:

- the Empire State Building
- Times Square
- the Statue of Liberty
- Grand Central Station
- ...
