

NEW HAMPSHIRE AND MAINE

PROJECT: INTERVIEWS OR PERSONAL PROFILES

Choose one of the following tasks:

1. Imagine you are a reporter and meet some of the people from the film.
 Write a dialogue with your favorite person.
 Work out this dialogue with a partner and practice it together so that you can perform it in class.
2. Use the information from the film together with your notes and write a personal profile about one of the persons from the film.

You may use these ideas and phrases for your dialogues or profiles. You may ask or write ...

- what the person's job is like,
- since when the person has been doing this special job,
- what is special about the job,
- what fascinates the person most about their job,
- something about their hobbies/future plans/hopes/fears ...
- ...

Don't forget to write a nice opening and ending in your dialogue, like e.g.

Hi, my name is ... I'm a reporter from ... I'd like to ask you some questions about ...

...

Thanks for taking the time to answer my questions.
