Red is my nose, and brown are my toes,
Green is my shoe, and my shirt is blue.
Red is my nose, and brown are my toes,
Green is my shoe, and my shirt is blue.

Colours are here and colours are there,
Colours are nearly everywhere!
So many colours! They are my friends!
I love the colours, now clap your hands.
I love the colours, now clap your hands.

White is the snow, and black is my shadow.
Yellow's the sun, and orange is fun.
White is the snow, and black is my shadow.
Yellow's the sun, and orange is fun.

Colours are here and colours are there,
Colours are nearly everywhere!
So many colours! They are my friends!
I love the colours, now clap your hands.
I love the colours, now clap your hands.
