January, February, it is winter,  
March and April, spring's coming along.  
May and June are leading up to summer,  
July and August may bring a thunder storm.

September, October, summer is over,  
autumn brings apples, grapes and pears.  
November, December, it's getting colder,  
Let's light candles, single or in pairs.

From January all the way to December,  
these are the twelve months of the year.  
From January all the way to December  
these twelve months we shall remember.
