Videoskript "Cornwall"

00:02

Welcome to Cornwall.

Cornwall is surrounded by the sea.

There are some very rough cliffs.

Many ships were wrecked here.

It was a good place for smugglers.

00:26

Cornwall has a long history. A Celtic people called the Britons settled here.

In the Middle Ages, tin mining became an important industry.

There have always been farmers and fishermen.

00:55

Cornwall has many old fishing villages.

Today tourists like to come and visit.

They enjoy the mild climate and the dramatic landscape.
