Part in "Flirt English"
Hannes is one of the four main characters. He is an informatics student with strong interest in computers and the sciences and occasionally, he acts like a bit of a nerd. He is single, not exactly shy but also not quick to act in romantic affairs. His best friend Nino is a lot more extroverted than him but Hannes is also the one to hold Nino back before he gets into trouble. Because Hannes thinks before he acts, he's very good at considering other people's feelings.
