

Elizabeth has decided to hold a strategy meeting to equally divide the household chores between the four roommates. And Hannes helps her by making a spreadsheet.

What has been decided at the strategy meeting? Write down the different chores, who is responsible for them and why. And what other chores can you think of that have to be assigned?

What is the chore?	Who is responsible?	He/she is responsible because...
Washing the kitchen and bathroom floor	Nino	... Holly says she always gets water everywhere.
Vacuuming the rooms and the stairs	Nino	
Dusting the ornaments and the pictures		
Watering the plants in the garden		
Watering Lily's orchids		
Shopping
