**Manager:** So, the crucial part of the job is the tidying up – you know, collecting up dirty towels and stuff – keeping the equipment clean...

**Nino:** Yes I am. Well, German and Serbian.

**Manager:** What about the toilets?

**Nino:** Excuse me for one second.

**Girl:** Oh hi. I want it to go faster, but it's sort of stuck.

**Girl:** Oh OK.

**Girl:** 10ks please. You sound German.

**Nino:** There. It was on ... "hold"

**Manager:** Excuse me, Miss. Great that the speed is sorted, but this chap needs to show me what else he can do before the end of his interview.

**Girl:** Oh thanks.

**Nino:** And the toilets?

**Manager:** Oh no, mate. We already have someone who does that.

**Nino:** Hi! Can I help you?

**Nino:** You're welcome. What speed?
