

Who said what?

They're a talkative lot at No. 2 Silverleaf Gardens. Especially when they're fighting. Do you remember who said what?

Try to match the quotes to the characters who said them.

“Sometimes, I just fly off the handle for no particular reason.”

“Alright, let's not go on about it. The less said about windsurfing the better.”

“No breakfast, no lunch, a ten mile trek, it's cold, it's wet, and there's certain people eyeing each other up and this idiot thinks he's god's gift... I'm through.”

“Maybe you could do a bit more exercise.”

“I'm sorry if I hurt your feelings.”

“You also flew off the windsurfing board.”
