#### 4. Mini projects

Form groups of four to five students and find out more about topics from the film. Put your research findings together and make a poster or even an electronic presentation.

- A The history of the Australian Camel population and its problems today
- B Australia is the world leader in the export of live cattle, sheep and goats
- C Nitmiluk National Park and its facilities and attractions
- D Kakadu National Park – the most beautiful national park in Australia
- E What was Australia's Stolen Generation?
