

### 1. A present for Megan

David: Hello, Red! What are you doing?

Red: Present!

David: Oh, it's a present? For Megan?

Red: Yeah!

David: Oh! What is it?

Red: Surprise!

David: A surprise? Oh! Can I take a look?

Red: OK.

David: Oh, Red! Interesting! Salami?

Red: Yeah. Surprise. Tasty, tasty!

David: OK, Red... Look... Why don't we put this back in the fridge? Is that OK?

Red: OK.

David: OK, because... I've got another present for Megan... Look, Red. This is a present for Megan... Guess what it is...

Red: A car?

David: A car? Er... no, Red. It's a book. A big book.

Red: Oh... OK...

David: OK, Red, let's go to Megan's birthday party.

Red: Birthday party!

### 2. Spring Lane

David: Look, Red. Megan's invitation to her birthday party.

Red: Birthday party.

David: She gave us directions. Let's see what it says... Uhm... "Dear Red, please come to my birthday party" – bla, bla, bla – Ah! Here we are: "Go to Spring Lane... " – we're at Spring Lane – "and go along Spring Lane to the church". Mmm, OK. So, where's the church, Red?

Red: That way.

David: That way?

Red: No. That way.

David: That way? No, Red, it's this way. Come on!

### 3. At the church

David: “Go along Spring Lane to the church...” Look, Red, there’s the church. And it says here “turn left at the church”. Left is that way.

Red: Mmm. Right.

David: No, Red. Not right. Left.

Red: Mmm. Right.

David: No, no, Red! That way is right. It says here “turn left”.

Red: Mmm. Right.

#### 4. Church Road

David: “Go along Spring Lane to the church. Turn left at the church. Then go straight over the crossroads and the next street on your right is School Lane.” Red! It’s School Lane!

Red: jchdjhjdfdkfh

David: Sorry, Red?

Red: jchdjhjdfdkfh

David: Church Road. Not School Lane! We must have taken a wrong turning somewhere. Come on, Red. Jump in and we’ll find School Lane.

#### 5. Lost

David: Red? I think we’re lost.

Red: Lost?

David: I don’t know where School Lane is.

Red: Ooo! Birthday party! Birthday party!

David: Oh, don’t worry, Red. We’re not really lost. We can ask somebody. They can tell us where School Lane is... Look, Red! That man over there! Let’s ask him.

Red: Mmmm. Ask - man. Ask - man.

#### 6. Getting close

Red: Hello! My name is Red.

Matthew: Hello, Red.

Red: Red... Where does Megan live?

Matthew: I don’t know anyone called Megan.

Red: Megan – live... Birthday party... Megan! Birthday party!

David: Hello! Sorry! My name’s David, and this is Red. And we’re looking for Megan’s house. It’s in School Lane. Can you tell us the way to School Lane?

Matthew: I know where School Lane is...

David: It must be near here somewhere.

Matthew: Yeah...School Lane... I know where it is... It’s here...

Red: Birthday party!

## 7. At Megan's house

David: It says here: "My house is at the end of School Lane." This must be it. Yes, Red. This is Megan's house. I hope we're not too late...

David: Oh, Red, there's nobody there... Red, I think we're too late!

Red: No birthday party?

David: No, Red, there's nobody at home.

Red: Oh, no!

David: Oh, Red! You poor thing, Red!

Children: Surprise!

Red: Birthday party!
