

## 7: My Hero – With Mark Moffett & Cesar

### Work with a partner

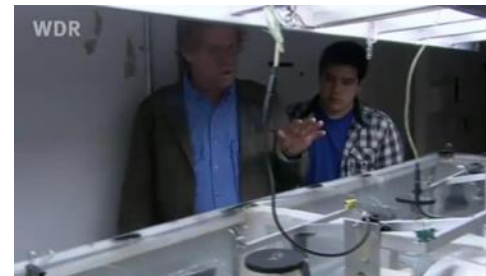

1. Match the descriptions to the pictures. Write the letter in the circle under the picture.

- (A) Cesar is going to his hero at a lab.
- (B) At the research lab Mark Moffett tells Cesar how the scientists are trying to control invasive ants.
- (C) Cesar watches Mark Moffett's video message.
- (D) Mark Moffett gives a lecture at the university.
- (E) Cesar observes his ants at home.
- (F) Mark Moffett tells Cesar that being different than other students is what brings success.
- (G) At the university lab Mark Moffett shows Cesar a colony living in a big fungus.
- (H) During field work Cesar and Mark Moffett observe native ants.

2. Put the eight pictures in chronological order. Number the pictures in the space on the left.
