

Talk & write**1. Prepare a short talk.**

Choose any of the tasks from worksheets 1-4 and prepare a small presentation for your class mates.
Write down keywords and try to talk as free as you can.

Dear class, I prepared
a short talk about...

I want to explain to
you how ... works...

This graphic
shows you...

What I thought was
really interesting is that...

I want to explain to
you again how...

Thank you for
listening...

First... second...
third...

Here you can see
a picture of...

Do you have
any questions?

2. Write a short text.

Choose any of the tasks from worksheets 1-4 and write a small text about it.
Use your own words and words from the tasks.

Today we learned
about...

I want to explain to
you how ... works...

In this text I want
to summarize...

The most important
part is...

What I thought was really
interesting is that...

First... second...
third...
